RELEASE AUTHORIZATION FOR RECORDS AND INFORMATION

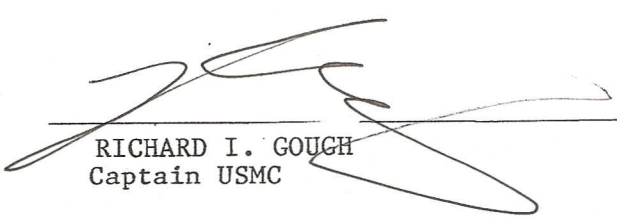

I _____ voluntarily authorize _____
to release information from my educational and disciplinary records
that are under his/her custody to the following individual(s):

TO THE DEAN OR ADMINISTRATIVE OFFICER:

The above-named student is applying for a commissioning program with the United States Marine Corps. The United States Marine Corps is asked to certify the good character of students who are applying. One way to do this is to check undergraduate records of all applicants, since these records show behavior for the last several years. Many schools feel that they are stigmatizing a student by reporting disciplinary problems which have been overcome; however, it is to the student's benefit to discuss any such problems before completing the application process. If you have any questions feel free to contact my office and we will clear up any problems that may arise. Our office phone number is (803)256-9015.
